*1 Ukraine ministry update by Pastor Ivan live from Kiev, Ukraine.

Challenges of ministry and how God is working in the midst of war.

*2 Kingdom progress in Asia, and persecution and human trafficking.

2 Bilingual Seminars English/Japanese (3:15- 4:00)

#1 Asia Missions Overview: Kingdom progress in the midst of many challenges

Speaker: Rev. Jonathan Iverson, MTW Asia Pacific Region leader

Asia is the most populous region of the world, and also has the most unreached people groups (UPG). There will be a brief overview of missions in Asia, we’ll hear from one Japanese missionary from a closed country in Asia, we’ll go a little deeper on persecution of Christians in Asia, and the human trafficking plague in Asia. One concrete case study will be hearing about the growing church in Nepal rescuing young girls and women from human trafficking.

#6 Ukraine Missions and Ministry in the middle of a war:

Speaker: Pastor Ivan Besparov, live from Kyiv, Ukraine

Continuing from last year, Pastor Besparov of the Ukrainian Evangelical Presbyterian Church will appear live from Kyiv, Ukraine. At last year's Zoom Festa, we were deeply moved by his sharing of the abyssal grief and suffering of the Ukrainian Church in the midst of war. The capital city of Kyiv is now in a tense situation where it is exposed to missile attacks on a daily basis. We will hear how God is working in this difficult situation, and hear how we can pray and support our Ukrainian brothers and sisters in Christ.
